Press Release

Houston Retirement Solutions Announces Educational Social Security Webinars

HOUSTON, Sept. 3, 2026 — Houston Retirement Solutions, LLC will host two live educational webinars titled “Harnessing the Power of Social Security.” Peter Acquaro, LUTCF, founder and Investment Adviser Representative, will lead the sessions.

The webinars will be held:

- Wednesday, Sept. 30, 2026, at 6 p.m. Central Time
- Saturday, Oct. 3, 2026, at 10 a.m. Central Time

The presentation will address general Social Security concepts, including claiming considerations, spouse and survivor benefits, working during retirement, taxation, and Social Security’s role within a broader retirement-income strategy.

The program is intended to help attendees better understand the questions and factors they may wish to discuss with qualified financial, tax, and legal professionals. Individual circumstances vary, and no one particular claiming or retirement strategy is appropriate for everyone.

Advance registration is encouraged. To register, visit the Events page at HoustonRetirementSolutions.com.
